

December 5, Gothenburg
NORDICCS Consortium Day 2012
Venue: Chalmers Conference Centre

- 09:00 **Opening**
Nils A. Røkke
- 09:15 **Top-level Research Initiative**
Åse Slagtern and Ragnheiður Þórarinsdóttir, members of the program committee
«CO₂ Capture and Storage»
- 09:45 **Nordic CCS Roadmap**
Marit J. Mazzeti, Research Scientist, SINTEF Energy Research
- 10:30** ***Break***
- 10:50 **Feasibility studies- cases and clusters**
Ragnhild Skagestad, Project Manager, Tel-Tek
- 11:25 **CCS – Cement Industry**
Liv-Margrethe Hatlevik Bjerge, Environmental Manager Norcem, Heidelberg Cement.
- 12:00 ***Lunch***
- 13:00 **Highlights from NORDICCS case studies**
Kristin Onarheim, Research Scientist, VTT Technical Research Centre of Finland.
- 13:30 **CO₂ transport scenarios for CCS in Scandinavia**
Jan Kjerstad, Research Scientist, Chalmers
- Case scenarios for benchmarking of transport models**
Alexandre Morin, Research Scientist, SINTEF Energy Research.
- 14:00 **Nordic CO₂ storage data – our knowledge so far**
Karen L. Anthonsen, Geological Engineer, GEUS.
- 14:30 **Communication (WP2) Stakeholders, issues and methods in CCS communication**
Peter Stigson, Associate Professor, IVL Swedish Environmental Research Institute.
- 15:00 ***Break***
- 15:15 ***Discussion***
- 16:00 ***Adjourn***
