There are direct international flights from Copenhagen and Amsterdam. From other cities, Oslo is a good connecting point with more than 30 daily flights to and from Trondheim.

When travelling by plane we advise that you prearrange an Airport-taxi service from the airport to our offices. Using this service you will share a taxi with up to two more passengers and you will be driven to your destination at a fixed price NOK 370 (2013). Regular fare to Trondheim approx. NOK 600. The Airport-taxi's are located to the left when you exit the airport – distance approx 150m.

Order your Airport-taxi through your travel agent or by phone/web, both are listed below, but only one of them have an English website.
