How to get to SINTEF Materials and Chemistry in Trondheim

By plane

Trondheim airport is Værnes (TRD), located approx. 30 km east of Trondheim.

There are international flights from Copenhagen, Amsterdam, Stockholm, and London (Stanstead). If you travel from other cities, Oslo is a good connecting point with up to 30 daily flights to and from Trondheim.

Airport coaches leave the airport directly after each flight, stopping close to most of the hotels in Trondheim. Final stop is Sorgenfriveien, only 10 min. walk from our offices on Gløshaugen.

There is also an airport taxi service which will take you directly to any address in Trondheim for a fixed price. Using this service you will share a taxi with up to 2 other passengers. Airport taxi must be booked in advance by calling one of the taxi companies (see below). The Airport taxis are located to the left when you leave the terminal - distance approx. 150 m.

By train

There is a train service to Trondheim from Oslo with 6 daily departures. Travel time is between 6.5 and 8 hours. The train also stops at Oslo airport (OSL).
