# Transition requires leadership

# Business with embedded environmental impact

Cost reduction  
Sales  
Brand value  
Attract talent  
Motivation & Innovation  
Ahead of legislation

# Jasper Steinhausen

Fulfilment Director & Co-Owner  
- Ouroboros AS

Enabling business' unbridled  
**potential** as the **primary vehicle**  
towards a sustainable future.

Facilitating circular business as an  
**integrated component** in business'  
DNA and fuelling their **competitive  
advantage.**

# Plain and simple

1. More with less
2. More than once
3. Utilize better
4. Cleaner

# Ingredients

Change management  
Business  
Communication  
Circular economy
