

## IEAGHG 2<sup>nd</sup> Post Combustion Capture Conference (PCCC2), 17-20<sup>th</sup> Sept. 2013, Bergen, Norway

Following the success of 1<sup>st</sup> Post Combustion Capture Conference (PCCC1) conference in Abu Dhabi, 2011 and the 12 International Post Combustion Capture Network workshops held 2000-2009, IEAGHG is proud to announce PCCC2 Conference to be held on 17<sup>th</sup>-19<sup>th</sup> September 2013 at Hotel Grand Terminus, Bergen, Norway. PCCC2 conference series has proved to be a very important gathering for post-combustion capture experts to share their knowledge, findings and expertise. PCCC2 aims to continue the forum to discuss the various issues related to post-combustion capture technologies status and development.

### “Milestone Mongstad” 1<sup>st</sup> Year Anniversary for Technology Centre Mongstad (TCM)

There will be a special session “Milestone Mongstad” 1<sup>st</sup> Year Anniversary for Technology Centre Mongstad (TCM) CO<sub>2</sub> Capture Demonstration projects, on 17<sup>th</sup> September for two and half hour as part of PCCC2. The ‘Milestone Mongstad’ session highlights the successful first year of operation of the world’s largest CO<sub>2</sub> capture technology test centre, CO<sub>2</sub> Technology Centre Mongstad (TCM). In this session we will hear from the owners and management of TCM, the technology providers, independent experts and academia.

### Keynote Lectures at PCCC2

- The Mongstad experience – The importance of R&D in CCS, Mr Tore Amundsen (CEO, Gassnova, Norway)
- Addressing the challenges for PCC in the Australian context, Dr. Paul Feron (Research Program Leader, CSIRO, Australia)
- Current status and future trends of the post-combustion carbon capture technologies: views from North America and Asia, Dr. Paitoon Tontiwachwuthikul (Professor, University of Regina, Canada)

### Site Visit to Technology Centre Mongstad (TCM) on 20<sup>th</sup> Sept. 2013

To finish off the conference, delegates are offered the chance to visit Technology Centre Mongstad on the Friday 20<sup>th</sup> September 2013; places are limited and are on a first come first served basis based on registration dates to get on the first bus, sign up now!
