

<b>Questionnaire to be completed.</b>			
<b>The flow follows your way through your research or design</b>			
<b>Step</b>	<b>Question</b>	<b>Possible answers</b>	
1	What is the main <b>goal</b> of your research or design project? (Choose one item)	<input type="checkbox"/> Enrichment & Satisfaction <input type="checkbox"/> Prevention of later restrictions <input type="checkbox"/> Engagement <input type="checkbox"/> Compensation	<input type="checkbox"/> Substitution <input type="checkbox"/> Care support <input type="checkbox"/> Care organization
2	Identify one <b>main target</b> and one <b>main target population</b> of your project?	<b>Target:</b> <input type="checkbox"/> Physical functioning <input type="checkbox"/> Mental functioning <input type="checkbox"/> Emotional functioning <input type="checkbox"/> Social functioning <input type="checkbox"/> A combination, namely .....	<b>Target population:</b> <input type="checkbox"/> 1st age: formative period <input type="checkbox"/> 2nd age: main working phase <input type="checkbox"/> 3rd age: active retirement <input type="checkbox"/> 4th age: frailty & dependence
3	What is your <b>application domain</b> ? (Choose <b>one</b> main item)	<input type="checkbox"/> Health <input type="checkbox"/> Self-esteem <input type="checkbox"/> Housing & Daily living <input type="checkbox"/> Mobility <input type="checkbox"/> Transport	<input type="checkbox"/> Communication <input type="checkbox"/> Governance <input type="checkbox"/> Work <input type="checkbox"/> Leisure
4	What is the <b>setting</b> of your project's aim? (Choose <b>one</b> item)	<input type="checkbox"/> The technical environment <input type="checkbox"/> The social environment <input type="checkbox"/> The person <input type="checkbox"/> The person-environment interface <input type="checkbox"/> A combination, namely .....	
5	What is the <b>timing</b> of your project?	<input type="checkbox"/> Before decline of the function addressed is measurable <input type="checkbox"/> After function decline	
6	Who will be, or has been invited to form the <b>interdisciplinary team</b> related to your research or design? (Choose at least one from each column)	<b>In addition to members of the target population:</b> <b>A gerontologist from:</b> <input type="checkbox"/> Ethics <input type="checkbox"/> Aesthetics <input type="checkbox"/> Physiology <input type="checkbox"/> Nutrition <input type="checkbox"/> Psychology <input type="checkbox"/> Social psychology <input type="checkbox"/> Sociology <input type="checkbox"/> Demographics <input type="checkbox"/> Medicine <input type="checkbox"/> Rehabilitation <input type="checkbox"/> Other, namely .....	<b>And an engineer from:</b> <input type="checkbox"/> (Bio)Chemistry <input type="checkbox"/> (Bio)Physics <input type="checkbox"/> Architecture / Construction <input type="checkbox"/> Information <input type="checkbox"/> Communication <input type="checkbox"/> Mechatronics <input type="checkbox"/> Robotics <input type="checkbox"/> Ergonomics <input type="checkbox"/> Design <input type="checkbox"/> Business management <input type="checkbox"/> Other, namely .....
7	Which are the <b>theories</b> addressed in your research or design?	<b>From gerontology:</b> <input type="checkbox"/> Compressing morbidity <input type="checkbox"/> Cure to Care paradigm shift <input type="checkbox"/> Situated learning <input type="checkbox"/> Technology acceptance <input type="checkbox"/> Technology generation <input type="checkbox"/> Telecare <input type="checkbox"/> Telemedicine / Telenursing <input type="checkbox"/> Temporal discounting <input type="checkbox"/> Other, namely .....	<b>From engineering:</b> <input type="checkbox"/> Aging-in-Place <input type="checkbox"/> Business models <input type="checkbox"/> Inclusive design <input type="checkbox"/> Mass customization <input type="checkbox"/> OSI model <input type="checkbox"/> Plug & Play <input type="checkbox"/> Preventive nutrition <input type="checkbox"/> Targeted marketing <input type="checkbox"/> Other, namely .....
8 Design only	In which <b>evaluation phase</b> is the product that is being tested?	<input type="checkbox"/> Computer simulation <input type="checkbox"/> Laboratory testing <input type="checkbox"/> Field pilot <input type="checkbox"/> Full scale field study	<input type="checkbox"/> Business plan completion <input type="checkbox"/> Marketing plan completion <input type="checkbox"/> Post-introduction surveillance <input type="checkbox"/> Other, namely .....

**Do not forget to prepare a poster of your research or design project and take a print with you to the Master Class in A0 or A1 size**

**Your master class application is final after both payment and the completed form has been reviewed.**

Student form for acceptance in a Gerontechnology Master Class
