

# Roald Kvam

**Born March 2<sup>nd</sup>, 1973**

**Chief Strategy Officer in Motitech AS;** internal consultant, coach and change agent. Developing, communicating, executing, and sustaining corporate strategic initiatives. Roald has more than 25 years of experience in personal and organizational development, motivational speaker, advice, leadership and strategic thinking - from schools, ministries, organisations and social entrepreneurship - both through start-ups and growth phases as well as crises.

Holds a Master of Divinity from NLA University College, Bergen/Norway (1993-2009). Provides consulting through his own business, Dreieskiva/Roald Kvam, for personal, leaders' and organizational growth. Certified DISC coach.

Roald strongly believes people are at their best together, that  $1+1=3$ , as we mirror each other's alternatives to facilitate and catalyse for the most strategic smart initiatives in a demanding situation, according to the resources at hand. He loves to see others overcome their challenges: "It's pure beauty!"
