

Visit to SINTEF Energy Research in Trondheim

By train There are six trains a day Oslo-Trondheim. Travel time is between 6,5 and 8 hours.

By plane Trondheim airport Vaernes (TRD) is located approx. 40 km east of Trondheim.

There are direct international flights from Copenhagen and Amsterdam. From other cities, Oslo is a good connecting point with more than 30 daily flights to and from Trondheim.

When travelling by plane we advise that you prebook an Airport-taxi service from the airport to our offices. Using this service you will share a taxi with up to two more passengers and you will be driven to your destination at a fixed price which is significantly lower than standard fare.

The Airport-taxi's have a separate location at the airport.

Order your Airport-taxi through your travel agent or by phone.
