

## to SINTEF Energy Research in Trondheim

### By train

There is a train service to Trondheim from Oslo with 6 daily departures, travel time is between 6,5 and 8 hours.

### By plane

Trondheim airport is Værnes (TRD), located approx. 40 km east of Trondheim.

There are international flights from Copenhagen and Amsterdam. If you travel from other cities, Oslo is a good connecting point with more than 30 daily flights to and from Trondheim.

When travelling by plane we advise that you prearrange an Airport-taxi service from the airport to our offices. Using this service you will share a taxi with up to 2 more passengers and you will be driven to your destination at a fixed price NOK 320 (nov 2008). Regular fare to Trondheim approx. NOK 600. The Airport-taxi's are located to the left when you exit the airport – distance approx 150m.

Order your Airport-taxi through your travel agent or by phone/web, both are listed to the right, but only one of them have an English website.
